MEMORANDUM FOR: Director of Security

: Secure Document Protection SUBJECT

Oz:

25X1

As the move in which OPPB is involved progresses, I am becoming increasingly uneasy about our ability to conform to the requirements of Regulations with respect to the protection of codeword material. Before final space alterations are completed I should like an opportunity to discuss the problem with your staff, and determine whether or not adequate precautions have been taken to meet our on-going requirements.

8 from Howard I will Did now works

John M. Clarke Director of Planning, Programming, and Budgeting
